# Action points

- Concept note on enhanced technology for data management processes sent to WHO by the Minister of MoH
- Incorporating CHAs surveillance processes into Epi-surveillance Pillar
- To enhance mhealth reporting:
  - Request the Liberia Telecommunication Authority (LTA) to engage mobile operators:
    - To authorize customization of its USSD platform for contact tracing and risk assessment
    - To provide “zero rated” authorization for data collection and reporting
- Seven hundred (700) sim cards to be picked up from Lonestar Cell MTN to support contact tracing

Thank you for Listening!!!!
