Actions, Issues and Constraints

- Ongoing Reconciliation of data with Montserrado County Health Team
- End-to-end tech solution today at MCHT
- Clear translation of our strategies into action:
 - Eg: What do we mean by “enforced maskwear”
 - Who: everyone who appears in public
 - What: any mask, cloth, shield, etc that covers the nose and mouth
 - When: at all times
 - How long: until the authorities announce
